

21st Annual Holiday Party for Children

Christmas is just around the corner!

Spartan Truck Company and **For The Need Foundation (FTN)** are partnering together to bring some Christmas cheer to a very special group of children in need.

Christmas is supposed to be a magical time for children, but for many kids who are sick, the holiday season is often spent in the county hospital system with little to no cheer. As many of you know, this is the time of year that you would normally receive our annual Holiday Party Letter describing our annual Christmas Party, a day of fun and cheer to the sick children at L.A. County Medical Center. However, due to COVID-19, **For the Need Foundation (FTN)** has been informed that we are not able to hold our annual Holiday Party for the children. Understandably, this is due to guidelines that have been established for the safety of the patients and staff. Instead, **FTN** is excited to announce that we will be partnering this year with the **CARES** Program. Together **FTN** and **CARES** can bring a bit of holiday cheer to the children in need through a toy and food drive this Holiday season in front of the county hospital Dec. 12th!

With your generous support, **FTN** has spent the past 20 years bringing smiles to many children who may not otherwise have much to celebrate. Many of these children are being treated for cancer, spina bifida, cerebral palsy, kidney disease, burns, developmental disabilities or have been physically affected by violence. Due to COVID-19, the hospital can only allow one visitor at a time, usually a parent or guardian, which means we will not be able to visit them in person ourselves. While we may not be able to host our usual holiday event, we can still provide gifts and activities for these children in their hospital beds. Unfortunately, county hospitals are often overlooked for donations this time of year, but with generous donations from you - our friends and collages - we are determined to keep the spirit of Christmas in their hearts by giving generously to these children. With your help, **Spartan Truck Company** and **For the Need Foundation** are trying our best to lift their spirits, add a sparkle to their eyes, and brighten their holidays in a new way this year.

With your help, FTN can help guide a child to rise above homelessness!

As the Holiday's approach, **FTN's** top priority is the children at the L.A. County Medical Center to ensure they get to experience the magic of the holiday season. Your donations will help cover the cost of gifts and activities that will be provided to the patients. Once we have met our fund raising goal for the Christmas Party at the hospital, any additional proceeds we receive will benefit the new **Bow & Arrow** program.
