Celebrating 20 Years of Loving Like Jesus

When I was a kid, I went to a foster party sponsored by a company that wanted to spread joy to all the kids who got to attend. From that point on, I was inspired and always hoped I would be in a position to help with something as impactful as that. Twenty years ago, my wife and I were grateful to be able to create a wonderful event that has helped spread joy to thousands of kids who need it the most.

I'm very excited to announce that because of your generosity we'll be able to start our new Impact Program to further aid kids in need in our community. Details to be announced soon.

“The **For the Need** holiday party for children that is done every year in December makes a huge difference for the kids and families who are inpatient and outpatient during the Holiday Season. It’s really hard for these families to go through the Holiday season at the hospital, this allows them to feel normal and be a part of the event **For the Need Foundation** provides. Bringing lunch, gifts, Santa Claus, and joy to the hospital during that time of year is very meaningful. The families, the kids and the hospital staff talk about this event long after we’ve left and cleaned up. It’s also very meaningful for the staff members.”
