

CAMCC WORSHIP: Auditions

Thank you for expressing an interest in the Worship Ministry at Camarillo Community Church affectionally known as CamCC. We hold high expectations of talent and heart. One of our highest values is "team." Everything is done for the betterment of the team and the glory of God. This is a big commitment and an eight-week process. If it becomes too much at any time, please feel free to let Pastor Kelley know and you can restart the process when it is the right season for you. You will be challenged and learn a lot about yourself during this process, as well as you will get a lot of helpful feedback to implement during the audition process. Your audition will be the eighth week of the process. Praying for you!

Step 1: Application

1. Fill out online application at camcc.net/audition
2. Submit and upload videos
3. Read Worship Covenant

Step 2: Interview

After submitting your application, Pastor Kelley will reach out to set up a time for you to meet and go over your application and videos. Pastor Kelley will also answer questions, share the expectations, and go over the Worship Covenant.

- Go over your videos
- Hear your story
- Expectations
- Get signed up on Planning Center
- Set up a personalized audition calendar
- Worship Covenant

Step 3: Audition Calendar

Pastor Kelley will set up a personalized audition calendar with your schedule. You will be asked to attend the eight weeks covering a variety of areas in conjunction with the area you desire to serve on the team. You will learn several tech positions (lights, ProPresenter, Video Switching, and Producing). You will watch and prepare for rehearsals learning and knowing the entire worship set which would include harmonies, leads, riffs, etc. on the weeks you are scheduled. You will attend from 6-9pm while watching how rehearsal is ran and getting feedback from the Producers/Worship Leaders/Pastor Kelley when asked to lead one to two of the songs, toward the end of the rehearsal, with the full band, selected by Pastor Kelley. He will want you prepared on all of them (males know male leads and harmonies on female leads and vice versa), so be overprepared.

For example:

Week 1: Learn ProPresenter

Week 2: Learn 4-8-20 Worship Set- male leads and harmonies

Week 3: Learn lighting and so on.

Step 4: Audition

Your final week of the 8-week process will be your official audition. You will have already had 3-4 weeks with in-ears, click, tracks, and feedback from Pastor Kelley, the Producers, and other Worship Leaders. After your audition, Pastor Kelley will meet with the Producers and Worship Leaders to get their feedback if you are ready musically.

Step 5: Final Meeting

You and Pastor Kelley will go over your audition, comments from Producers and Worship Leaders, and see if you have implemented the feedback you have received over the course of your eight-weeks. You will either get an invitation to join the team or input on what you need to work on before going through the process for a second time if you still desire. Pastor Kelley will put together a plan in place to set you up for success and the team up for success.

Any questions please email Pastor Kelley at kelly@camcc.net.
