## We are an approved charity eligible for AZ tax credits!

This is a way for you, friends, and family to donate to Upside and reduce your Arizona tax liability!

Because we are an "approved charity" as a 501(c), we will use donations to offset any expenses *we incur* which includes, but aren't limited to, building a new playground, staff salaries, supplies, etc. The benefit to you is the reduction in your taxable income for your AZ liability tax!

Eligible Donation Amounts	Single/ Head of Household	Married, filing jointly
2025	\$495	\$987
2026	\$506	\$1009

Donations may still be made for 2025 (until you file or 4/15).

Donations may be made in the Upside Office or mailed to the address below.
